Dear Sir:

The Medallic Art Company has in previous years offered to present to our Museum, specimens of the medals issued during the past year, provided we can secure the consent of the artists who designed them. Among them is a medal of yours which we should very much like to have - the Professor Charles Atlas medal.

I trust that we may count on your co-operation in making a representative display of what is being done by American sculptors.

Very truly yours,

Secretary
